NAAC ACCREDITED B++ GRADE

Mail:amalcollegeakp1953@gmail.com, **web:**www.amalcollege.edu.in

1.1 Justification

This is to submit that as per the guidelines of Affiliating University, basing on the report of OAMDC (Online Admission Portal), institution has to pay the university fee for 1st year students. Some of the students admitted, will submit joining report in admission portal through online but not report to the college and hence deviation takes place between the University approved list and actually admitted students in the College. Herewith, we are submitting the actual list of students with admission register copies and request you to take the actual number of students into account under 1.1 metric.

Supporting documents

1. Affiliating certificate copies for the years 2018-19 to 2022-23
2. University clarification letter
3. Copies of abstracts of admission register entry year wise
4. University no due certificates
5. EWS proceedings for extra filled seats in P.G. programmes.

Visakhapatnam,
Date : 28-10-2023

From: OFFICE OF THE DEAN, COLLEGE DEVELOPMENT COUNCIL

To
The Secretary & Correspondents of all affiliated colleges

Sir/Madam,

Sub: Payment of University Fee as per Student Strength Registered in A.U.
Computer Centre - Instructions Issued.

This is to bring to your attention to an important matter concerning the payment of University fees for the 2nd, 3rd, and 4th years of all courses being offered at your college. It has come to our notice that there have been discrepancies in the payment of University fees, as some colleges have been calculating the fees based on their records rather than the official student strength registered in the A.U. Computer Centre. The Andhra University Computer Centre plays a crucial role in maintaining accurate records of student enrollment, and this data is vital for determining the University fee. It is requested to kindly ensure that the following guidelines are adhered to, to maintain transparency, accuracy, and fairness in the fee payment process:

1. **Data Submission:** It is essential that your college's administrative team submits accurate and up-to-date student enrollment data to the A.U. Computer Centre at the beginning of each academic year.
2. **Timely Reporting:** Ensure that your college promptly reports any changes in student enrolment, such as transfers, withdrawals, or re-admissions, to the A.U. Computer Centre.
3. **Fee Calculation:** The University fee for 1st year students must be calculated based on the report of OAMDC online admission portal. The fee for the 2nd, 3rd, and 4th years of the courses must be calculated based on the student strength registered in the A.U. Computer Centre.
4. **Payment Deadline:** Please note that payment of the University fee based on the registered student strength must be made by the stipulated deadlines. Failure to do so may result in penalties and administrative complications.

Prior to fee payment, please cross-verify with the data submitted by the college to A.U. Computer Centre to ensure accuracy and consistency in calculating the fees. The University fee payment should strictly align with the numbers registered in the A.U. Computer Centre.

We appreciate your prompt attention to this matter, and we are confident that you will take the necessary steps to implement these guidelines effectively. If you have any questions or require further clarification, please contact the University College Development Council.

Thanking you,

Yours sincerely,

(P.N.K.V. GANESH)
