FEEDBACK ANALYSIS AND ACTION TAKEN REPORT BY FEEDBACK COMMITTEE FOR THE YEAR 2022-2023

Observations of feedback committee after analysing the feedback given by the Stakeholders for the year 2022-2023

Majority percentage of the stakeholders opines that

I. Academic and Infrastructural Facilities on the campus

- To enhance ICT skill development programs.
- To keep more number of copies frequently used by the students in the Departmental Library.

II. Feedback on curriculum

- Students are pleased with the applicability or relevance of the course they were taught. They seem to be satisfied with the depth and extent of coverage of course with some sort of reservation with the depth of the course.
- To introduce more useful optional core subjects in 5th Semester.

III. Feedback on Lecturers

- To enhance career guidance sessions and on campus placement drives.
- To encourage two way communication with teachers.

Action taken report by Feedback committee

After analyzing the feedback given by the all stake holders, Feedback Committee is pleased to submit the following suggestions and recommendations to the Principal for necessary action.

- To arrange for conduct of ICT skill development programs in association with department of computers.
- To arrange for more number of copies available to the students in the departmental libraries.
- To communicate to the Chairman, BOS to look for the opportunity of introducing more useful optional core papers.
- To direct the Career Guidance and Placement Cell to arrange for more number of career guidance sessions and placement drives.
- To direct the department of English to arrange for special programs on communication skills
